BASIC INTERVIEW QUESTIONS

- ❑ Tell me a little about yourself and your experience
Talk about things you have done and jobs you have held that relate to the position you are interviewing for. Start with the item furthest back and work up to the present.
- ❑ Why did you apply for this position?
Because I would like to gain experience in an established hotel (or 5 Star Hotel or restaurant), I enjoy cooking and would like to develop my career as a chef.
- ❑ Why are you the best person for the job?
Because I love to cook and work with a team, I am reliable and hard working.
- ❑ Why did you leave your last job?
Your answer must be positive regardless of the circumstances. Never refer to a major problem with management and never speak badly of supervisors, co-workers or the organization.
- ❑ What would your previous bosses, colleagues or teacher say about you?
They would most likely say that I am hard working, happy to learn, a good student who listens and complete my assignments/tasks on time. Good at teamwork.
- ❑ What can you tell me about this company?
You should know some information about the company e.g What type of restaurants they have and how many, how long it has been opened, how many rooms (if you are applying for a hotel), types of activities they have e.g spa, water sports, tennis courts, gym.
- ❑ Are you a team player?
You are, of course, a team player. Be sure to have examples ready.
- ❑ What are your Strengths?
E.g. Carving, leadership, can work under pressure, good at solving problems, work well within a team.
- ❑ What are your weaknesses?
- ❑ Are you willing to work overtime? Nights? Weekends?
- ❑ What has been or is your greatest achievement in your past or current role?
- ❑ Can you give me an example of where you have learnt from a mistake you have made? – What did you learn?
- ❑ What is more important to you: the money or the work?
Money is always important, but the work is the most important.
- ❑ What qualities do you look for in a boss?
Someone who has great knowledge, good at training, loyal to the staff and treat them all equally, leads by example and has a good sense of humour.
- ❑ Do you have any questions for me?
Always have some questions prepared. Questions like when would be able to start if successful, how many shifts do you have in the kitchen? How many covers does the restaurant do? Do you make all the food in house? Do you provide English Training?

www.foodandbeveragecareer.com

- Under what circumstances would you escalate the customer’s query or problem to your supervisor or boss?
 - What type of organizational structure suits you best?
 - How would you deal with an extremely irate customer?
 - Describe a situation when you took an initiative to provide a customer with best solutions?
 - Describe an occasion where a customer tested your patience?
 - What type of organizational structure have you worked within previously?
 - What do you find most fulfilling when dealing with the public?
 - If a customer shows up with a complicated problem five minutes before you are to leave for the day, what would you do?
 - If faced with abusive language from a customer, how would you deal with the situation?
 - What type of customer service systems have you used? What is your level of familiarity with them?
 - If you are faced with a technical product query or difficulty that you aren’t well-versed or confident about, what would you do?
 - How would you serve or assist a customer whose language or accent is difficult to understand?
 - How do you handle angry customers?
-
- Talk about a time when you were unable to help a customer. What was the issue and how did you handle the situation?
 - How do you respond to rude or abusive customers?
 - How would you respond to customer threatening violence?
 - What is your definition of going the extra mile for a customer?
 - Tell me about a time when you helped resolve a particularly difficult customer issue.
 - Can you tell me about a time when you provided outstanding customer service? What did you do that was above the norm?
 - Can you tell me about an experience where you had to take additional efforts to resolve a customer’s query?
 - What does good customer service mean to you?
 - What have you done at your present/last company to increase revenues, reduce costs or save time?
 - What ethics and norms one should follow in customer service planner career?
 - What have you done at your present/last company to increase revenues, reduce costs, or save time?
 - What is more important in retail service – faster customer service or better customer service?
-
- What have you done to be a better customer service representative?
 - What makes you a great candidate for this customer service rep job in particular?
