This article is incomplete or has incomplete sections. You can help Mobius Encyclopaedia near expansion it. Sonic redirects here. For a other, either use, Sonic, see Sonic (disambiguation). Sonic The HedgehogĀ is a hedgehog equipped with super-sonic speed power, and the capacity to control the power of the Chaos Emerald. Considered by many as the hero of the world, the evil kingdom of the evil Dr. Eggman is opposed and his empire of him Eggman from his early childhood. The speed of Sonic is the one's last weapon of him, and he used to help those who need, as well as a leaf of plans of his enemies. Even if sometimes it's too sure of it and it assumes that it can face things on behalf of him, Sonic realizes he also has friends to support him in difficulty situations. Sonic is intelligent, which allows you to have ways of bad lamin plane. The primary field of fighters for freedom, he is willing to put his life at the forefront for those he holds. History Prime Adventures Don't know much about the biography of La Speedy Hero, but when Dr. Ivo Robotnik started her attempts to dominate the world as Dr. Eggman, would immediately let him know the presence of him at the omelette dictator, consisting constantly the plans of him at every turn. When Dr. Eggman and Dr. Julian Snively started their strip-extraction and processing of South Island, as well as the main building and improvements on Westside Island, Sonic made his first appearance to the two doctors and followed them Up to their base on the island, the Scrap Brain Zone, fighting the duo within the final area. (SSD: # 12, Sth: # 288) The two doctors fled to Westside Island, where they continued with their original plans, and Sonic would chase them; However, the victory of him against the bad guys inspired by the creation of freedom fighters, which resided in Westside Island Knothole, a refuge from Dr. Eggman, who won their original home, Mobotropolis. With new friends in tow, Sonic and Freedom Fighters chased along the two doctors, with Miles "Tails" Prowered near the side of Sonic as an assistant and best friend of him. In the end, Sonic would have reached the original version of Eggman's flying fortress, Death Egg, where he fough a silver model of Sonic and Eggman in his height Destroyer Battlesuit. Ultimately, Sonic ending the plans of the doctors and defeated them. (FCBD: # 8, Sth: # 288, SSD: # 12) Sonic silver prototype version Sonic attacks. After these first victories, peace went back to South Island and Westside Island, until the Sonic friend, Tails, was kidnapped by Dr. Eggman. In the metro area, Sonic fought against Coconuts of the super special Sonic Search & Smash Squad (also known as S6 Squad) and the first generation of Super-Badnik, Tagicalone egg. After having defeated them, Sonic unbeaten the other two members of the S6 Squad, Scratch and Grounder, who pretended to use their double agent, Brezie as hostage, but sonic has succeeded in removing both scratch and grounder before they could finish their sentence On Harm Brezie. Of Sonic He took Brezieie with him later, that his breath to betray him, with Brezieie revealing her betrayal to Sonic when they reached the scrambled egg area. It was here that the prototype version of Sonic silver made its appearance and fought Sonic, but in the end it was defeated. Of Sonic finally faced Dr. Eggman in the stormy room egg, where Eggman held Tails prisoner. However, the Naugus twins, Walter and Wendy, has arrived near looking for revenge on both Eggman and Sonic. Eggman leave tails go free in an attempt to keep sonic to pursue him as he fled Eggman before the twins could find him. However, he was intercepted and trapped in crystal from twins before he could And Sonic joined him a few moments later, just to be trapped in the crystal himself from Wendy. Tails, watch from afar, unfortunately promised to save Sonic as the twins moved away with their prisoners. In the end, the two twins were defeated, and both Sonic and Eggman were released. However, Sonic However Reluctants to share the history of Brezie's betrayal even with his more intimate friends, although Sally was apparently familiar with her. (Sth: # 268, # 269, su: # 83) When Dr. Eggman won a small planet after his appearance in the Neverlake course, Sonic went on a new adventure to stop him and save the small planet. On the small planet there were special stones known as the stones of time, which were powerful gems able to control the passage of time. Eggman had put his eyes on these stones all the time, since the planet appeared on the last month of the year, and so chained small planet in a mountain with his face carved in the mountain and placed it to convert the world into a giant fortress. Sonic has arrived on the scene to stop Eggman to take all the time stones that would allow him to manipulate time and conquer the world. It was during this adventure that Sonic met Amy Rose, who had a huge cooked on Sonic. Immediately after the meeting, Metal Sonic pomboned inside her and kidnapped it. Of Sonic finally captured up to Metal Sonic, and the two ran against the other in Stardust Speedway Zone, with Dr. Eggman to fly closely behind attacking anyone too slow. After Sonic Outraced his metallic doppelganger, Metal Sonic got struck by Dr. Eggman's laser, leaving him out of the picture, for the moment, as sonic was able to save Amy. In the end, Sonic has successfully prevented Dr. Eggman obtaining the stones of time and defeated the evil doctor. (Sth: # 260, # 290) When Sonic Knuckles met. Eggman would not have remained easily, and finally, to revive the Death Egg from where he had fallen to Angel Island. He would be united in this undertaking from Knuckles The Echidna, a guardian of the island and his flight source, the Master Emerald. Knuckles was convinced that Sonic and Tails were trying to steal the Emerald, and attacked Sonic and stole the Chaos Emerald from him after the couple arrived on the island. The couple would have continued to involve the forces and knuckles of Eggman in battle on several occasions, even if Knuckles would then know the true nature of Eggman and the first death egg would have been brought down for good. (Sth: # 259) During execution through green sea areas in the strong eastern islands, Sonic was unbeaten Tails be attacked by a super-badnik. After saving him, Tails informed him of a voice that Eggman was looking for the ancient Gears islands in order to perform his new super-weapon, the Mega Drive. After meeting Eggman, the two defeated him and recovered one of the ancient gears that Eggman had found as captured and saved animals. On the next island, Flower Park Zone, Sonic and Tails came across Amy Rose, who followed Sonic in an attempt to travel with him. Initially he refuses to have tags Amy together with them, Sonic has changed his mind when Amy has revealed she was no longer powerless, showing that she could grasp any sonic rings fell as well as his new Piko Hammer. After once again met Eggman, the trio defeated him and recovering another agent gear as he saved the most captured animals. In the Temple Cascade area, the trio fell into a trap run by Knuckles, which had been, once again deceived by Eggman, this time in believing Sonic was going on all the ravies, as Super Sonic with Chaos Emerald. After making the mistake of him, the four teamed ups and once again met and defeated Eggman, recovering another ancient gear, and saved the animals caught. (SMD) After arriving at the park area Clitter and defeat another Badnik, the four heroes, once again met Eggman, who was easily defeated thanks to the tails strategy and the power of the tail, Amy, and With Sonic looking up in a disappointment, creating that he wanted adventure alone and to his own pace. After recovering another ancient gear, the team has went to Haunted Depths Zone, where sonic suggested fractionation up to cover more ground. At first of Sonic he was happy alone, but after meeting and defeating Eggman once more and and Another ancient gear, realized that he had no one around to joke with Eggman's expense. Sonico then arrived at the eruption Ruin Zone, where he found himself blocked, as he could not reach the ledge he needed to continue. After worrying about his three friends, the trio on the road showed up and helped to reach Sonic's ledge. Sonic decided he would wait for him for his friends to reach the ledge and, realizing he preferred to have him friends of him around with him, after all. After collaborating to defeat Eggman, once again, the team retrieves another ancient gear, but their victory was shortcut by Metal Sonic, which pombed in to steal five ancient Gears that Tails thus like Amy kidnapping. After Tails made where Eggman and Metal Sonic could be hidden. Sonic, Knuckles, Tails and made their way of new flying fortress by Eggman. After delivering their ancient tools in exchange for Amy thinking that Eggman had not had the seventh (from the Eggman expressly asked for the "last" antique gear from Sonic after stolen the five from Code), the team realized that Metal Sonic had the last ancient gear within it. After the three defeated Sonic metal and saved Amy, Eggman and Metal Sonic has fled to the fortress. After taking a look at the database on the fortress, Tails realized that there was a highlight base directly below where they were and that the airplane was only for supply shipments, Sonic decided that before prosecuting Bad people who should pick up the seven Chaos Emerald, who had the habit of presenting themselves when they needed them. (SMDNL) Sonic Defeat Dr. Eggman During the invasion of the Wolf Lupe country. At one point in the past, Village Lupe del Lupo was invaded by Dr. Eggman's forces. Fortunately, Sonic The Hedgehog, Sally Acorn and Antoine d'Coolette came to help him. Sonic ran to follow and defeat Dr. Eggman, while Antoine defended Sally and Lupe. Using the soil of the Thunder area plains to its advantage, Sonic conduct the evil dictator in a lightning, destroying the doctor's head and sending it on the run, with a consequent change of a dialogue in which Dr. Eggman expressed his hatred for the His blue enemy and sonic made a teasing of his nemesis. (Sth: # 257, # 277) Sonic battles with the crazy doctor would continue, and he then went against Eggman and the sonic metal re-propose that the doctor saved from Little Planet. Of Sonic he defeated the two in revived death of the doctor's egg, the death Egg Mk II, which was built around the small planet. (VG: STH4) Sonic and Knuckles' Clash on Chaos Emerald. When the doctor warped a plane that involves the airship, the egg carrier, and the chaos demi-god water base, Sonic had to join him with him friends, in order to put a brake at the dictator omelette still one time. As he returned home through the station square after gone for a while for a long journey, Sonic meets Chaos for the first time. Sonic defeated chaos, but it escaped. The next day, Sonic saw accident queues in his plane nearby and was helped. The fox took sonic to see a plane on which he was working, powered by a Chaos Emerald, but at the Dr. Eggman workshop appeared to take emerald. Even if the duo beat Eggman, Eggman torn the Chaos Emerald and revealed Chaos, which he turned to Chaos 1 with emerald green and said his plan to make it invincible with all seven Chosos Emerald and build Robotnikland on the square of railway station. As Eggman flee, Sonic started with queues to get Yoi Emerald before Dr. Eggman. Sonic and Tails soon obtained two emeralds, only for Eggman shortly knock out with gas sleep and steal one. Unwashed, Sonic and Tails soon Another Chaos Emerald, but were attacked by Knuckles, who had been deceived by Eggman to believe that Sonic had at least one emerald shard. Sonic Knuckles fought until yoi drop the Chaos Emerald, which were then taken by Eggman and given to Chaos 2, transforming it into Chaos 4. After Sonic and others beat it, Eggman escaped to his Vector. Sonic and Tails tried to follow him in the Tornado, but were shot down. (STH # 271. VG: SA / Sadx) E-102 Gamma and Sonic Fighting. Back to earth, Sonic began looking for the code, but met Amy who wanted you to protect a flicky. Despite the rejection of Sonic, Amy followed her until they were not attacked from the ground, soon to kidnap Amy. Sonic followed her them as zero fled zero carrier until he has reached a dead end, but then incontrĀ² queues in the tornado 2 that have led them to the edge of the egg carrier. When he found himself with Amy Eggman, however, Sonic was attacked by E-102 Gamma, but before he could destroy Sonic range, Amy convinced him to go to the robot. While the eggs began to crash, Sonic had queues to Amy to safety as he followed Eggman. At the end, Sonic has found Eggman with the chaos 6 just as the cat showed to save his friend Froggy, who was trapped in the chaos. After saving froggy, Sonic defeated Chaos 6, but as escaped all'aggero, knuckles occurred, that Sonic left the chaos followed her while Eggman. On the way, Sonic has found an ancient temple with a mural depicting a monster inside and a mysterious light that brought him back in time to see the altar of emeralds in Tikal ruins and trying to stop a catastrophe. Again in this, Sonic has found Eggman and beat him forever before rejoining with the new code. While trying to sleep, Sonic had to come out when the queues reported that Angel Island had fallen. There, they found both knuckles Eggman, and learned that the chaos was still alive, had rebelled against the egg to destroy the world and possessed six emeralds of chaos. As they headed for the last Emerald before the chaos, Sonic was drafted back into the past, where he saw the attack knuckles on the altar of the clans and sealing themselves tikal and chaos within the Master Emerald. Back in the present, Sonic and Tails found the emerald chaos in the Tornado 2, but lost to the chaos that has become the perfect square of chaos and attacked the station. As the perfect chaos destroyed the egg carrier 2, Tikal came to Sonic to explain that the chaos was blinded by rage. After the perfect chaos abandoned to be devoured by the alien progeny of him. While the end seemed near, the shadow suddenly felt Maria asking for help and broke paralysis. Black Doom escaped, leaving behind the shadow, the only hope for the planet. In the end, the shadow used the emeralds of chaos to become super shadow and fought black destiny, which had turned into diam doom, and in his super state state he used a super-powered chaos control for warped the comet Black in the orbit of the planet and make him separate an explosion from the Eclipse cannon, saving the world and stopping the invasion. (VG: Shah) Sonic would continue to make new friends about the adventures of him, like the powerful robot emerl, which was later destroyed and rebuilt in Gemerl by Eggman. He also made friends with the rabbit and cheese the Chao helping them save the mother of the Vanilla cream, before helping to fight the invasion of the black arms of evil. The future adventures saw him collaborate with the other first time the Princess Blaze the cat to fight Dr. Eggman denies, and later meets the marine raccoon and helping her and back back back back back the Pirates of LED theme area from Captain Whisker. Then he would have been involved in Eggman's regimes to exploit the power of a monstrous creature in an aborated timeline that saw him meet silver the hedgehog while fighting the evil of the Solariris. (Sth: # 271. VG: Sad2, SB, SAD3, Sru, SRUA) The Sonic generations at some point Sonic had to collaborate with a younger version of himself to fight two versions of Eggman and the evil time eater . The couple has succeeded, but consequently made it possible for the egg to form an alliance with the evil Dr. Albert W. Wily from another world. (VG: SG; SB: # 8) A little later, Sonic returned to Mobotropolis with the queues to find the city under attack by the transformed doll. The couple was about to fight the monster, when suddenly the world was wrapped by a second Genesis Wave ... (Sth: # 252) Fight for two Sonic Worlds watches like "Mega Man" attack silver. Sonic once again he found himself running through the green hill area when he felt a sudden sense of Deja Vu, similar to what he had heard last before. He shook this feeling and focused on his task at his fingertips: finding him friends who are missing him. Previously, he had gone to the tail workshop where the young fox should have been prepared to leave for a journey through the mystical ruins with him, just to find out that his best friend was not anywhere to see, his supplies stock exchange Poured out the floor. Worried about the friend of him, Sonic then flew the tornado for Angel Island to take the knuckles to help him look for the young fox, but instead he was surprised to find that the guardian of the emerald master was not instead of him. In the end, Sonic took himself to Amy's House, with the intention of asking for the help of her (noting that it would be good at finding her as he always seems able to easily keep track of Sonic Down), but sure enough, even the pink urchin He had vanished. Realizing that something bad had happened, he approached Chaotix to ask for help, asking them to join research. (On: # 51) Sonic and Mega man begin to fight. Sonic was briefly unringed upon his search for Silver The That informs him that he felt a disturbance in the space-time he had tracked down at this point. Sonic questions if the silver had, like him, he waved on a hint that he feels that something was not wrong, much to the silver surprise. The two curcs both arrive until the conclusion that the Eggman doctor is most likely the cause of whatever wrong, moments before silver are felled by a mysterious blue-armored boy wearing a purple purple scarf In front of Sonic's eyes. Sonic gave hunting after the mystery attacker, observing that he should have brought him while he had the possibility. After a long pursuit, the armored boy fell rapidly out of the view of the mega man's moment was approaching their position, himself chasing the Sonic metal. Exchanging the identical mega man with the boy who was chasing, Sonic hits the boy-robot with a spindash like sonic metal and the boy disappears from the view. After encouraging that he had overturned the scarf on him, mega man, in turn, in turn, getting sonic to the strange blue blur he had chased, proceeded to shoot Sonic with his Mega Buster cannon, sparking a dessert Brawl between the two. The two heroes continued to color like the man of the codes observed from the nearby, transmitting a battle movie at a celebrating Doctor Eggman and Dr. Wily on the wily egg. (On: # 51, mm: # 24) While their struggle continued, Sonic concluded that he had taken hundreds of robots in the past: When the fight seemed to be a stall, Sonic has decided to use the surroundings to his advantage, crossing the Green Hill Zone loops to enhance in mega man and then bouncing around him in the springs before beating him out of his feet, just to be hit From the blue bomber. Suddenly, an annular portal of warp appeared behind the heroic robot, created by the father of Mega Man, from Dr. Light; This has distracted the mega man long enough for Sonic to disable his mega buster. Mega Man then deceived Sonic to follow him through the portal and they (together with Tails man) arrived ā e
