Next

I'd like to talk about this first.

What's your favorite safe word?

Does this feel good?

I like my ears kissed but not my neck.

What positions do you like?

I think it's hot when...

Are you OK with this?

I don't like that, but I can do...

No, I don't want to.

May I... kiss you?

What turns you on?

Do you like this?

I liked that last time; right now I'm not in the mood.

Do you like it when I...?

If I change my mind, we'll stop.

Special thanks to The New School in New York City for permission to use the "Yes Means Yes" campaign created by Nehu Shah.

ASK FIRST

CONSENT IS HOT, ASSAULT IS NOT

Yes means yes.

Know the difference between consent and assault.

Know your rights, set boundaries, practice active consent, be an empowered bystander.

QUESTIONS?

- How to prevent sexual assault and other forms of sexual violence
- What to do if you are a survivor
- How to help create an empowered and healthy campus environment
