Patient Satisfaction Review The overall assessment of patient satisfaction is an average of all patient responses to the five questions collected by the Outpatient Oncology Survey, developed by Press Ganey Associates for use in cancer clinics across the country. On behalf of Giacomo, the Ganey Press administers the survey to patients who see our suppliers at an outpatient clinic. For more information on the Patient Satisfaction Survey, visit our Patient Satisfaction Survey, visit our Patient Satisfaction Survey and opinions. Comments are not endorsed by and do not necessarily reflect James' views. "", Average total rating ": 4.8", Maxrating ": 5 "", Total Reviews ": "

"In medicine as an engineering, he attended the Howard University Medical School. He considers this a great transition that balanced his interest in science with his strong desire to help people. Dr. ... has completed its specialization in oncology and medical hematology at the Washington Hospital Center, where he studied together with Dr. Rajendra. Dr. ... White has a profound interest in organic sciences, especially as science can be applied in real life for the benefit of health. It is an eminent oncological researcher and it was for several years Director of the office of complementary and alternative medicine of the National Cancer Institute (NCI). He has published numerous articles, abstracts and chapters of books in the field of oncology and held conferences all over the world. Dr. ... White did Peer Review for several prestigious magazines, including the Journal of Clinical Oncology and the Journal of the National Cancer Institute. Currently he is an associate editor for the editorial committee of complementary and alternative medicine at NCI. Dr. White also is part of the Angel Foundation's Medical Consulting Committee of Gabrielle and previously he was part of the Advisory Council for the Health of the Susan G. Komen Foundation for breast cancer. He takes care of all types of blood tumors and disorders and works with our staff to guarantee the best possible assistance to our patients. Dr. ... White is originally from Washington and lives in the district with his wife Pearl, a nurse, and his son Jared. He sees part-time patients in our office. Telehealth now available Please call the office to plan the telehealth visit today. For scheduled appointments, he starts a remote assistance call with Dr. White. The White.
