Final Fantasy VII Remake Pre-order Bonuses (Japanese only) Final Fantasy 7 Remake launched in the middle of 2020 as a PS4 exclusive JRPG and was praised for its tight action-oriented gameplay, voice acting, superb attention to detail, and epic soundtrack that perfectly encapsulates the feeling of the original 90s game. While this first part of the remake was only a small slice of the overall Final Fantasy 7 plot, Square Enix has expanded upon almost every aspect of the original to truly flesh out the experience. Final Fantasy 7 Remake is still a pretty extensive game with deep combat mechanics, side quests, hidden bosses, extra summons, and lots of secret nooks and crannies to explore. So for those players who may be on the lookout for some helpful tricks, tips, strategies, and general game help, look no further. This complete guide for FF7 Remake will help even the most inexperienced player so that they can fully enjoy this JRPG without getting stuck on a tough boss or getting lost in a dungeon. Updated on June 12, 2021 by Jonathan Sayers: The Game Rant team has extensively covered Final Fantasy 7 Remake even beyond the game's 1-year anniversary. Players can find tips and tricks on defeating the game's difficult bosses and get help finding well-hidden collectibles, such as how to find manuscripts for weapon upgrades. Following the release of Final Fantasy 7 Remake Intergrade and the Episode INTERmission DLC, this page as been updated to provide ongoing coverage of the add-on content. Getting Started in Final Fantasy 7 Remake Final Fantasy 7 Remake is designed to be accessible to fans of traditional RPGs and action-oriented gamers alike. The gameplay is fast, exciting, and cinematic. For those who want a more simple experience as they enjoy the story, there is a Classic mode that slows gameplay to a more turn-based type of experience. It is similar to setting the game to "Easy" as opposed to the default Normal setting, as this allows the player to carefully plan their strategy when there would otherwise be little chance to do so in the heat of combat. The following guides offer even more tips that can assist new and experienced players throughout Final Fantasy 7 Remake. How To Guides General Tips & Tricks Frequently Asked Questions Final Fantasy 7 Remake Walkthrough, Boss Fights, and Side Quests The story in Final Fantasy 7 Remake unfolds very differently from what fans may remember of the 1997 classic. The campaign is broken into 18 chapters that go very in-depth on the events which unfold in Midgar. There are surprising events and challenging bosses that might stump even the most veteran RPG players. The guides below will assist with the main story scenario and the side quests along the way. Major Story Events and Side Quests by Chapter Final Fantasy 7 Remake Episode INTERmission Yuffie DLC Walkthrough With the release of Final Fantasy 7 Remake Intergrade for the PS5, players have the chance to access the Episode INTERmission DLC. This add-on follows the story of fan-favorite character Yuffie Kisaragi on her journey to steal Shinra's ultimate materia. The DLC is only available for PS5 and comes packaged with Final Fantasy 7 Remake Intergrade. Those who already own the PS4 version of Final Fantasy 7 Remake can upgrade to the PS5 version for free, but doing so will require Episode INTERmission to be purchased separately for a small fee. The guides in this section will help players along during Yuffie's story, and will assist with extra side quests, mini-games, and trophies as well. FF7R is a refreshed PS4 version of one of the most popular JRPGs ever released. The game was developed by Square Enix. The creators of Final Fantasy 7 Remake tried to make it feel like the original as much as possible. So we get a classic Japanese RPG in which we explore locations, interact with NPCs, develop one's character, and fight. However, some elements have been adapted to the modern game design formula - combat is much more dynamic, for that matter. With the complete reconstruction of the visuals, a better balance of realism and styling was put in place. To avoid omitting anything from the original production, it was decided to release the game in several parts. Story in Final Fantasy 7 RemakeFinal Fantasy 7 Remake is set in a world combining elements of science fiction and fantasy, known as Gaia. The life energy of this planet is extracted by a company called Shinra. This can lead to complete destruction of the world. The main character is Cloud Strife - an ex-soldier who now works as a mercenary. He joins the Avalanche resistance to fight against this corporation. The entire plot is divided into parts, and the first of them takes place in Midgar - a city that serves as the headquarters of the Shinra Corporation. How does the episodic structure of the game work?Unlike the original game, Final Fantasy 7 Remake has an episodic structure. This means that the game won't offer the entire story from the original, but only a part of it. FF7 Remake was divided into a number of smaller parts that will be sold as separately. Each of these episodes contains a fragment of the story of the original game. Thanks to this, the developers can expand the plot by adding new characters. At the moment, only the release date of the first part is known. We also know that the works on the second part have begun. It is still unknown, however, how many episodes the remake will get. Will Final Fantasy 7 Remake be released on PC?Final Fantasy 7 Remake was announced only on PlayStation 4. However, some of the Square Enix games have been released on PC after some time. This has happened with Dragon Quest Builders 2 released in 2019. Thus, it is likely that this situation will repeat. Final Fantasy 7 Remake - editionsIn addition to the regular edition, the developers have also prepared two editions with additional content. Deluxe EditionThe Deluxe Edition includes a steelbook, artbook, a CD with the game's soundtrack and Summon Materia Cactuar DLC. 1st Class Edition1st Class Edition includes an artbook, a CD with the game's soundtrack, a steelbook and a figure of Cloud Strife and his motorcycle - Hardy Daytona.
